Questions for the group discussion

(to be answered at the end of every mobility in the home country)

- ② How do you assess the mobility?
- ② What did you like about the mobility?
- ② What didn't you like about the mobility?
- ② Did you feel comfortable during the mobility?
- ② Did the mobility meet your expectations?
- ② What could be improved?
- ② What did you learn?
- ② Was the way of teaching different compared to the way of teaching in your home country?
- ② Do you like to be assessed by a computer tool?
- ② How was the organization in the host country?
- ② What was the most challenging for you during the stay?
- ② Do you think that the European class will help you in getting access to the labour market?
